Our band "Twice As Good" were rocking and people were dancing in the driveways. Thank you to our Ron at Sonoma County BBQ.

A special thanks to our sponsors...Bear Republic Brewing Company, Big Johns Market, Joe & Sally Briggs, Brandt Insurance and David Seghesio.

We appreciate the cooperation from all of our tenants during our event.

Tips for Boating with Pets:

1. Keep plenty of fresh drinking water available.
2. Provide a shaded area.
3. Protect their feet—dogs absorb heat through the pads on their feet and boat surfaces can get very hot in the sun.
4. Give your pet a chance to get acquainted with the boat while it is on the trailer or at the dock.
5. Walk your dog so he can relieve himself before boarding; if the boat surface allows, you may wish to train him to go in a specific spot.
